### RECYCLING – SMALTIMENTO RIFIUTI

As we listen to Pope Francis we begin to realize that he has a love for all creation. One of the ways in which this connection manifests itself is in his concern for the environment. Just think about it, one of the ways in which we can come to know God is in coming to know and love the earth – one of God's gifts to us.

On Sat April 13<sup>th</sup> (10 am to 2 pm) at Trinity Bellwoods Park, there will be a **Community Environment Day**. Safely dispose of dangerous refuse, including paint, thinners, batteries, etc. Electronic devices and many other objects can be processed at this time.

#### COMMUNITY ENVIRONMENT DAYS RIUTILIZZATE, RICILATE E

#### SMALTITE IN MODO SICURO I RIFIUTI
