UPDATES

Early in the autumn you can expect to begin to hear about a parish photo directory. This is part of a project that is being worked on as another way to have a record of who we were at St Francis 100 years after our front doors opened. It is a way of belonging to the history of St Francis of Assisi Parish.

With the arrival of the safety mesh at our parish, a number of our couples opted to stay with us for their weddings and others have asked us to make arrangements to have their weddings celebrated in other parishes. We have seen pictures of weddings here at St Francis with the mesh and the photographers have done a good job at making the pictures into wonderful memories.

COMBINED CAPITAL CAMPAIGN COMING

And God has appointed in the church apostles, prophets, teachers, miracles, and gifts of healing, helping, administrating, and various kinds of languages.

1 Corinthians 12:28

PLANNING FEASIBILITY STUDY - FAMILY OF FAITH

Planning is an important aspect of any project. In the next few weeks we will need the help of many as we seek to garner opinions about the best way to proceed in our plans to repair the church and continue its legacy for many years to come.

M & M International, church fundraising specialists, will be here to interview a broad cross section of parishioners about the repairs and plans needed here at St Francis of Assisi during the last week of August and early September. You may be invited to participate! If you are selected, a letter and Case for Support document will be mailed to you. Shortly after you've received the letter a volunteer from the parish will call you to schedule an interview here at the church with a member of the M & M team.

Participating in a short 45 minute confidential interview will benefit the parish and help us to plan for the work of renewing and renovating our spiritual home. You will not be asked for funds in this interview.

OPEN FORUMS!

If you don't receive an invitation you will still have an opportunity to help and make your views known in an Open Forum scheduled after all masses on September 12 & 13th here at the church. Your gift, helping us plan and sharing your views, is needed. Please consider our request.
