SUMMER FINANCIAL TROUBLE

You may remember hearing that last summer we had to ask the chancery to loan us money to assist us in covering our operating expenses. ***By the end of the holiday months the well simply ran dry.*** This worries us because it gives the impression that St Francis of Assisi is not able to meet its responsibilities. Remember that we have already been loaned millions of dollars for our renovations because the Church in Toronto sees us as an important parish.

How can you help? There are options.

Make sure that your weekly offering gets to us...

- Some people simply mail in their offerings once a month.
- Others use monthly pre-authorized giving via direct debit.
- Still others use monthly pre-authorized credit card payments (this probably allows them loyalty points on their credit cards?).
