**SUMMER FINANCIAL TROUBLE**

You may remember hearing that last summer we had to ask the chancery to loan us money to assist us in covering our operating expenses. **By the end of the holiday months the well simply ran dry.** This worries us because it gives the impression that St Francis of Assisi is not able to meet its responsibilities. Remember that we have already been loaned millions of dollars for our renovations because the Church in Toronto sees us as an important parish.

How can you help? There are options.

Make sure that ^ [ ~ ! Á , ^ ^ \ | ^ Á [ ~ ~ ^ ! ā } \* Á \* ^ c •

- ✓ Some people simply mail in their offerings once a month.
- ✓ Others use monthly pre-authorized giving via direct debit.
- ✓ Still others use monthly pre-authorized credit card payments (This third option probably allows them loyalty points on their credit cards?).

**LIVING THE GOSPEL BY SUPPORTING AT-RISK YOUTH**

The single mother of Trinity worried about who might influence her daughter after school, given the presence of gangs in the neighbourhood. She enrolled Trinity in a program at the **St. John Paul the Great Family Centre**, a ShareLife-funded agency. Along with helping with homework, the centre provided music training that would otherwise be too costly. Now 15 years old, Trinity volunteers at the centre so others can benefit just as she has.

**IL VANGELO SI VIVE SOSTENENDO I GIOVANI A RISCHIO**

La mamma single di Trinity era preoccupata del fatto che cattive amicizie potessero influenzare la ragazza, specialmente dopo l'uscita da scuola in quanto nel quartiere agivano varie *gang*. Così iscrisse Trinity ad un corso presso il "**St. John Paul the Great Family Centre**" (centro per la famiglia San Giovanni Paolo Magno), un'agenzia finanziata da ShareLife. Oltre ad offrire un programma dopo scuola per aiutare con i compiti, il Centro ha anche corso di formazione musicale, che sarebbero altrimenti eccessivamente costosi presso scuole private. Trinity ha ora 15 anni e svolge opera di volontariato presso il Centro per assistere altri giovani ad usufruire di quei programmi che hanno tanto aiutato lei.
